Please visit our website at www.integritywaterops.starnik.net and use the Security Code found in the upper right corner of your invoice to register your online account.

Through your customer portal, you can view your account history, pay your bill by Credit Card, Debit Card, or eCheck, sign up for *AutoPay*, and enroll in eBill to receive an email notification when a new bill is available.

All online payments are subject to processing fees.

PLEASE NOTE: When signing up for *AutoPay*, please pay the ENTIRE outstanding balance on your account. Failure to do so may result in a late penalty.

AutoPay will take effect beginning with the invoice following successful enrollment. Your payment will be drafted from your registered payment method 1 day prior to the due date.

We're committed to going green with your current invoice advising *AutoPay* for your next billing cycle.

4 Account Information

Your account number, account name, service address, statement date, payment ID, meter read dates and security code.

The security code is used to set up a new online water account with Integrity.

5 Account Summary

The first Balance Forward shown in parentheses indicates a credit on your account.

The second Balance Forward is due immediately.

6 Current Billing Charges

These are the charges for your current billing period and the total due amount.

8 Total Due by Date

This is the total amount due by the due date shown.

Includes:

- Balance forward
- Current billing charges

Any balance not paid by the due date may be subject to a late fee.

During the Transition Period

There will be no late fees and service will not be interrupted during this transition period.

Once payments are available to be taken, the payment options (online by phone, credit/debit card, eCheck and AutoPay) will be available for your use.
